Discussion of Trauma Case

Patient:	PRIMARY Provider:		
Medical Record #:	Admit Date:	TRANSFER	ADMIT D/C
Reason for Review: SEE ATTACHED REVIEW SHEET			
Referred to:			

Continued monitoring, findings, actions and re-monitoring with the following discussion points:

1. When is the event resolved?
2. What barriers have been encountered?
3. What is an appropriate reporting of event?
 - a. How is this documented?
 - b. How is this reported?
 - c. Who is this reported to?
4. Who determines if the event is resolved?

Outcome:

Please record the summary of your review findings: (Additional space on backside if needed)

Recommendations: **(HOW CAN WE PREVENT THIS FROM HAPPENING?)**
