Question for Council: _____

HEALTH

Health can be overcoming or managing one's disease(s) or symptoms, and making informed, healthy choices that support physical and emotional well-being. **How is health being impacted?**

HOME

Home is having a stable and safe place to live. **What does home look like?**

PURPOSE

Purpose can be in cultural, spiritual, ceremonial or religious practices, meaningful daily activities (job, school, volunteerism, family caretaking, creativity), independence (income/resources to participate in society). **What is influencing purpose?**

COMMUNITY

Part of community is having relationships and social networks that provide support, friendship, love, and hope. **What does community look like right now?**

Council Recommendations: _____

PLEASE NOTE: By submitting this form, you have acknowledged that Project ECHO case consultations do not create or otherwise establish a provider-patient relationship between an ECHO clinician and any patient whose case is being presented in a teleECHO session. Always use Patient ID# when presenting a patient in clinic. Sharing patient name, initials or other identifying information violates HIPAA privacy laws.
