Indian Country Care and Access for Pregnant People ECHO

Aunties are a Game Changer: How Indigenous Love Heals Historical Trauma

Tuesday, April 23, 2024 | 11:00am-12:00pm PT

To Attend: <https://echo.zoom.us/j/87128078680?pwd=c2hMOEFnWU9QWVZMd2dpL0J0ODNidz09> |
Password: ECHO

Target Audience:

Primary care physicians, advanced practice providers, pharmacists, nurses, behavioral health specialists, administration, tribal leadership, and others who share a passion for improving the lives of American Indian and Alaska Native people.

Presenters:

- Camie Jae Goldhammer, MSW, LICSW, IBCLC, Founding Executive Director, Hummingbird Indigenous Family Services
- CDR Tina Pattara-Lau, MD, FACOG, Maternal and Child Health Consultant, Indian Health Service
- Patricia (Tricia) Capo, MD, FACOG, ObGyn Physician, Alaska Native Medical Center/Southcentral Foundation

Description:

In this series of presentations, we welcome speaker Camie Jae Goldhammer, MSW, LICSW, IBCLC, Sisíthun̄waŋ-Waŋpéthun̄waŋ Oyáte. Camie shares how aunties are game changers, how indigenous love heals historical trauma, and the story of Hummingbird Indigenous Family Services. Camie describes Indigenous birthing practices and how these can be incorporated to improve birth outcomes, identifies barriers that prevent Indigenous women from receiving high quality and culturally appropriate maternal care, and shares how to implement best practices to include AI/AN cultural birthing practices when providing maternal care. The new Care and Access for Pregnant People ECHO Program includes an opportunity to engage in a didactic presentation, gain insight on how I/T/U facilities may effectively integrate timely pregnancy care, and become part of a learning community.

Outcomes/Objectives:

1. Examine indigenous birthing practices and how these can be incorporated to improve birth outcomes.
2. Identify barriers that prevent Indigenous women from receiving high quality and culturally appropriate maternal care.
3. Implement best practices to include AI/AN cultural birthing practices in providing maternal care.

Instructions for Obtaining CPE Credit:

To obtain a certificate of continuing education (CE), you must attend the activity in its entirety, submit a completed evaluation, and electronically document your attendance. You will be able to print your certificate after completing the online evaluation. For questions, please contact the CE coordinator for further information.

ACCREDITATION

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, IHS Clinical Support Center is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

IPCE CREDIT™

This activity was planned by and for the health care team, and learners will receive 1.0 Interprofessional Continuing Education (IPCE) credit for learning and change.

Physicians

The IHS Clinical Support Center designates this live activity for 1 hour of *AMA PRA Category 1 Credit™* for each hour of participation. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses

This activity is designated 1.0 contact hour for each hour of participation.

Pharmacists

This activity provides 1.0 hour of knowledge-based continuing pharmacy education credit (CPE) with the UAN JA4008177-0000-23-076-L99-P.

Credit will be uploaded to the NABP CPE Monitor within 30 days after the activity completion. It is the responsibility of the pharmacist to provide the correct information (NABP ID and DOB (MMDD)) in order to receive credit.

Disclosure Statement: As a jointly accredited provider of continuing education, the IHS Clinical Support Center must ensure balance, independence, objectivity, and scientific rigor in its educational activities. Course directors/coordinators, planning committee members, faculty, reviewers and all others who are in a position to control the content of this educational activity are required to disclose the existence of all financial relationships with ineligible companies within the prior 24 months. Safeguards against commercial bias have been put in place. Faculty will also disclose any off-label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. All those who are in a position to control the content of this educational activity have completed the disclosure process and have indicated that they do not have any relevant financial relationships or affiliations with any manufacturers or commercial products to disclose.

There is no commercial interest support for this educational activity.

Zoom First Time Users

If you have never attended a Zoom meeting before, you can download the Zoom desktop client here:
